## Fundraiser for the Ramallah Club

This is a fundraising event to support the maintenance, renovation and expansion of the Ramallah Club building located at 2631 Chain Bridge Road, Vienna, Virginia. The building is the home of the Washington, DC area chapter of the American Federation of Ramallah, Palestine (AFRP), a tax exempt charitable organization headquartered in Westland, Michigan. The AFRP and the local chapter have been in existence for over 70 years. Members of the Ramallah community are American citizens who trace their ancestry to the town of Ramallah, located roughly 10 miles north of Jerusalem in occupied Palestine. The club building is used for social, educational and charitable purposes including sponsoring food and blood drives.. Due to the ongoing crisis in Gaza, at least 10% of the net proceeds from the event, as well as all net proceeds over the \$25,000.00 fund raising goal, will be donated to a U.S. based charity that provides humanitarian aid to Gaza.

**Can't make the event but would like to donate? Donations can be made online at:**
